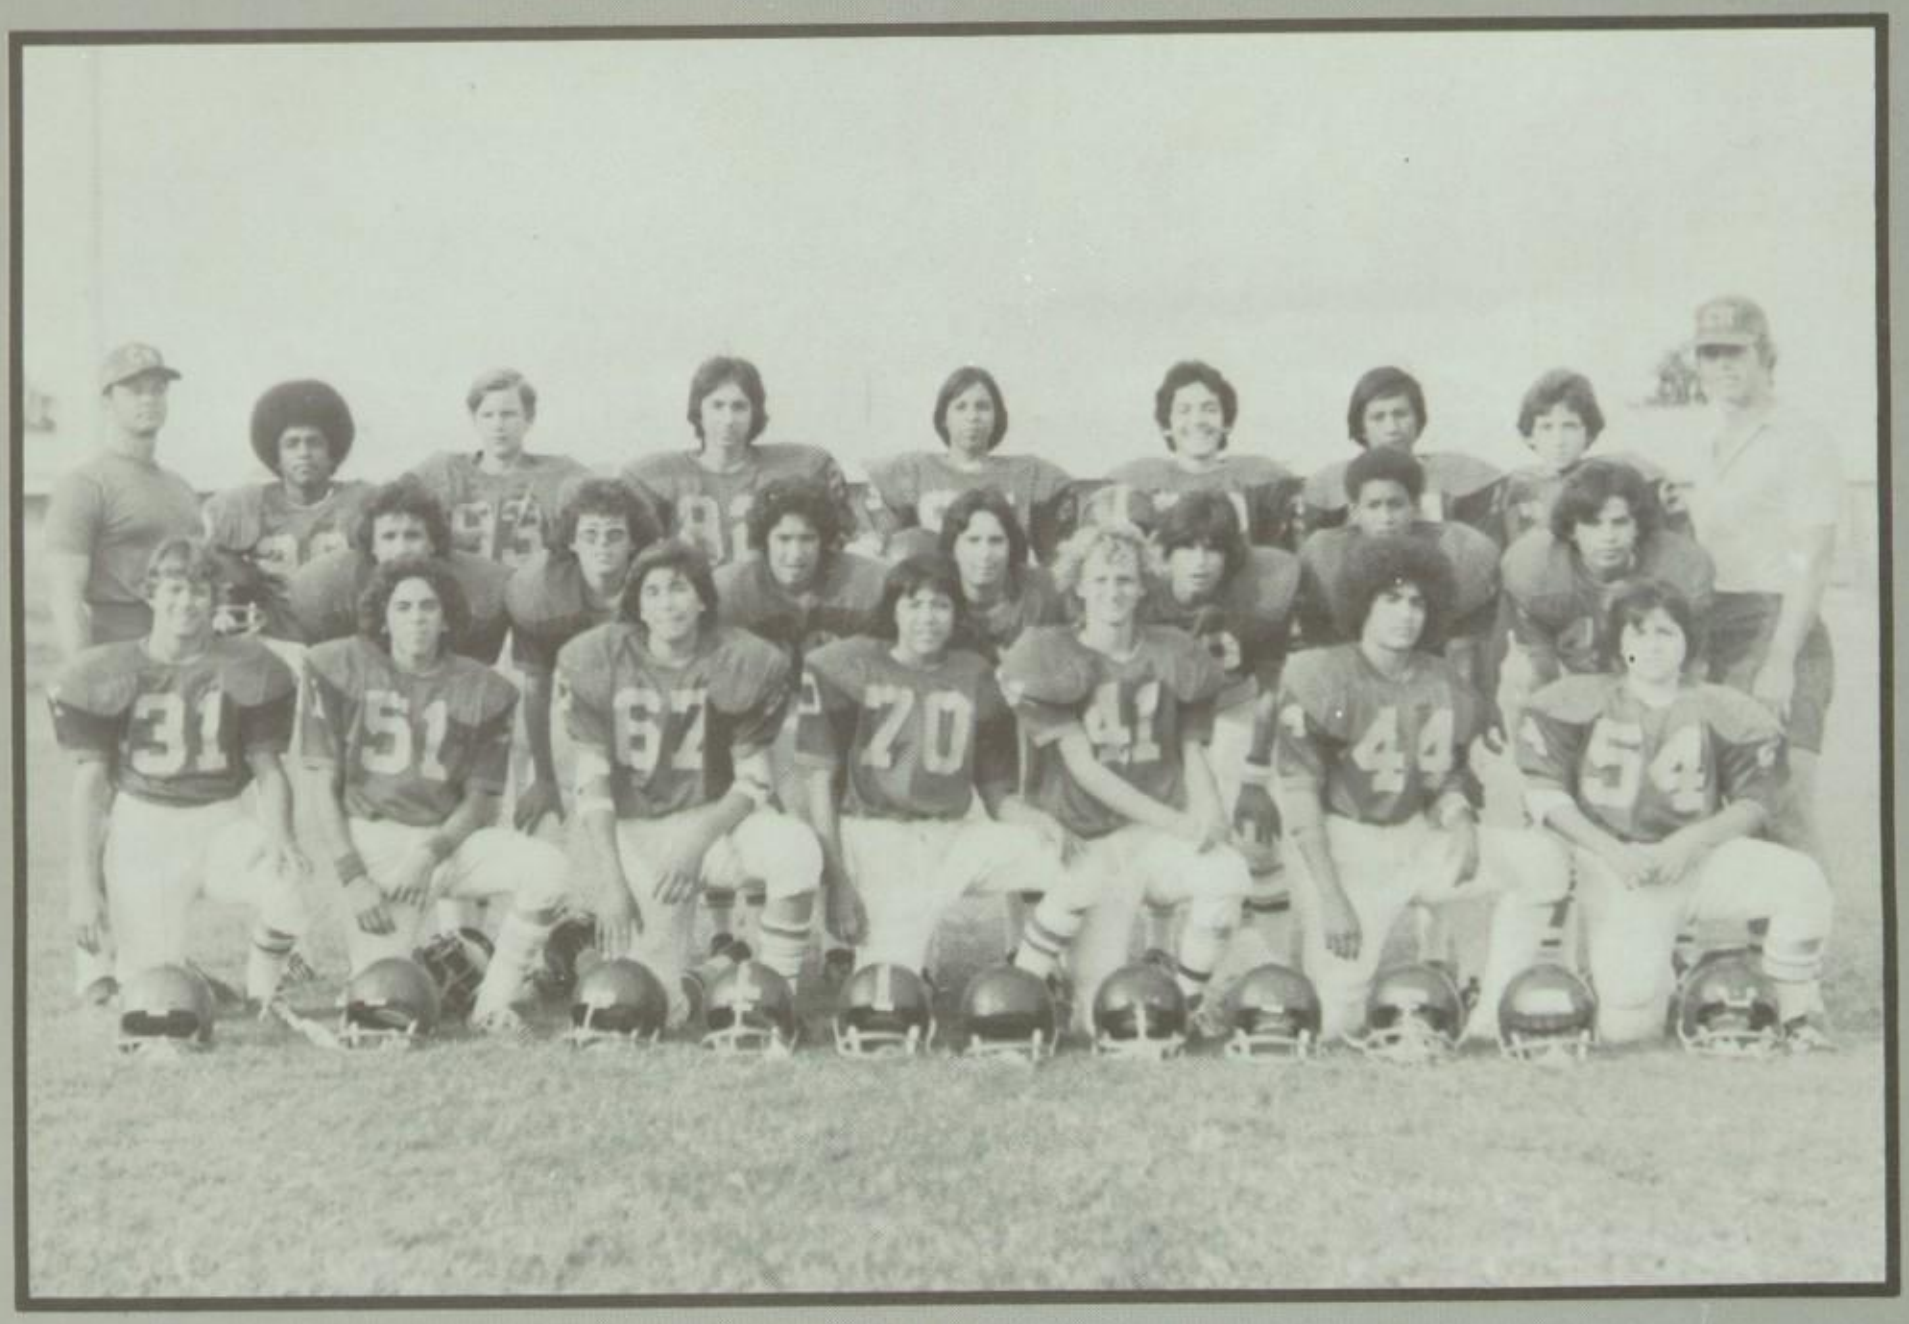
FRESHMEN FOOTBALL

BIG FRESHMEN FOOTBALL — 1978 Big Freshman had a very successful year with a 5-3-1 record. It is an amazing record when you consider they had *only* 17 players on the team. Their Nickname was the "*Dirty Dozen*". Coach Baker and Coach Hornbeck were both very proud of the team for not giving up when the going got tough. The team was out manned in almost every game they played, but through hard work and a positive attitude they had a winning season. Outstanding players were *Carlos Armenta,* who always seemed to be making the big catch or making the big tackle. *Bradley Frazier,* teamleader and the teams best lineman. *Ricky Leon,* The best Freshman Quarterback in the league, Exceptional passer and runner and Most valuable player on the team. *Danny Peru,* Team leader, good hardnose football player, always gives 100%. *Muhammad Muhammad* Best hitter on the team and a good running back. *Robert "Sunshine" Smith,* Pound for pound the toughest player on the team.

LIGHTWEIGHT FOOTBALL



Back Row: L-R — Coach Baniewicz, Elbert Eppinger 20, Mike Jones 83, Jesse Dominguez 82, James Sambrano 65, Steve Santa Cruz 72, Leroy Phillips 12, Robert Lopez 64. *Middle Row:* Martin Esquivel 50, Pat Aldrete 71, Ronnie Vega 30, Brian Gallimore 62, Mike Dominguez 42, Randy Luke 14, Ernest Garcia 20. *Kneeling:* Danny Bean 31, Jerry Gutierrez 51, Mark Gentry 67, Jackie Pauley 70, Perry Sims 41, Ralph Morales 44, Charles Chavez 54.

Mr. Nacinovich demonstrates a difficult Judo throw on Gregg Hinds.

Modern Karate can be traced to Okinawa, although the basic concept was borrowed from Chinese boxing. It was formally introduced to the U.S. in the 1950's. Karate is based on punching, kicking, and blocking techniques for self-defense and, more recently, for sport. Karate is a generic term for a group of Asian fighting methods in which hand and foot blows are the principle techniques. Men, women, and children throughout the world participate in Karate for exercise, in competition, and for self-defense.

THE TEAHOUSE OF THE AUGUST MOON

The first major production to occur in the new auditorium was "THE TEAHOUSE OF THE AUGUST MOON," by John Patrick. The play was about the American occupation of Okinawa after World War II. It pokes fun at everyone in an effort to promote greater understanding for all.

The drama club rehearsed for eight weeks to put on this enjoyable production. They have had two Japanese advisors, Major Morris as a military advisor, and a dance student from A.S.U. to help out.

INTERGRATION . . . A MAJOR ISSUE IN P.U.H.S.

What is Integration? Integration is to join with other groups or social races by putting people together in the same environment and having equal numbers from every race. In other words the Federal Government will not pay the schools until they are equally balanced out. Right now

Is Integration the Way? An Integration Workshop was held at Carl Hayden on Jan. 26 by Student Government. Various schools from around the valley and state discussed the pros and cons of integrated high schools. Student leaders from Dysart, Peoria, Trevor Brown, West, Phoenix Union, Tolleson, East, and Camelback High Schools participted in the discussions. Mr. Carl Ladson from the District and Dr. Tom Reno from the Department of Education spoke at the workshop. Carl Hayden Student Government felt it was a very successful workshop. Mischa Axline, from KTVK-TV news, covered the workshop.

we do have an open district. We do not know how long we will remain an open district. What do you think? Is Integration right or is it wrong?

79' COMES TO AN END

We would like to thank Bruce Hinds for the Beautiful cover design. Again, we would like to welcome Mr. Wayne Forde, as Administrative Assistant. It was a hard year for the yearbook staff with members dropping the class due to outside problems, putting a bigger burden on the remaining staff members. We would like to give our apology to Eva Rodriguez, for not putting in a separate picture of her after working so hard all year long on the book. Those are just some of the things that happen when you don't get pictures made on time. The staff went all out in its creative efforts to produce a book different than in the past. We hope the student body will enjoy it. This is the last year the book will consist of 236 pages because of the declining enrollment.

Congratulations
to the Class
